

Internet Banking Agreement
Muenster State Bank
Revised 05/2019

This Internet Banking Agreement (this "Agreement") states the terms and conditions for Internet Banking offered by Muenster State Bank (the "Bank"). When you use, or you permit any other person(s) to use, Muenster State Bank's Internet Banking, you agree to the terms and conditions of this Agreement. These terms and conditions are in addition to those that apply to any accounts you have with the Bank. This Agreement is an addendum to the existing Deposit Account Agreement and Signature Card that you received and signed when opening your depository account, as amended from time to time. If there is a conflict between the terms and conditions of this Agreement and one contained in the other agreements between us, this Agreement will control.

As used in this Agreement, "you" or "your" refers to each person(s) subscribing to, using or accessing Internet Banking; "we", "us" or "our" refers to Muenster State Bank and any agent, independent contractor, designee, or assignee Muenster State Bank may, in its sole discretion, involve in the provision of Internet Banking.

1) Account Access. You must have at least one eligible personal account with us, access to the Internet and an eligible browser (see #5 Equipment) to use Internet Banking. If you have more than one personal deposit account or consumer loan relationship with us, we will "link" the relationships together. Accounts that are "linked" under Internet Banking will effectively have one common owner and signer. Any signer, acting alone, shall be deemed by us to be authorized to access a linked account. Any non-linked account will not be accessible through Internet Banking.

Under Federal Law, withdrawals are limited from any savings deposit account as set out in the Truth In Savings disclosure you received when opening your depository account. If you exceed the maximum number of allowable transfers, payments or preauthorized withdrawals on any savings or money market account, the Bank will take steps, as it reasonably deems necessary, to ensure your future compliance with allowable transfer limits, including terminating your access to Internet Banking. Allowable transfers and withdrawals by check, draft, debit card or similar order on any saving deposit account are limited to a maximum of three per quarter. Additionally, excessive withdrawals are subject to an excessive item fee as set out in the Truth In Savings disclosure you received when opening your depository account.

2) Access Codes. Security of your transactions is important to us. During your enrollment for Internet Banking, you are required to select a User Name and a Password.

The User Name may be any word or grouping of letter, numbers, or special characters. It is recommended to use letters (upper and lower case), numbers and special characters. Do not use a word that may easily be guessed.

Your Password must have at least 8 characters including a number, an upper case letter, a lower case letter, and a special character. You should select your Password carefully and stay away from names, dates and information that may easily be guessed.

DUAL AUTHENTICATION – The first time you logon to Muenster State Bank Internet Banking you will be required to provide information necessary to establish the additional security requirements for dual authentication. Dual authentication is necessary to further enhance your security when using Muenster State Bank Internet Banking, and to comply with current regulatory guidelines. Security questions must be chosen and answered, and will be part of each Internet Banking login. A personal image and personal greeting will be selected by you during the enrollment process. The image will be

displayed to you in the future after you enter your User Name and security question answer. You should review the image and greeting that is displayed to ensure you are connected to the authentic Muenster State Bank Internet site before entering your Password. If signing on to Muenster State Bank Internet Banking and the image or greeting does not match your selections during enrollment, do NOT enter your Password. Contact the Bank for further instructions.

Use of your User Name and Password (the “Access Codes”) and the Dual Authentication procedures described above is the agreed security procedure to access Internet Banking. We may accept as authentic and authorized any instructions given to us through the use of your User Name and Password.

- 3) **Mobile Banking.** This service permits you to perform a number of banking functions on accounts linked to your Internet Banking through the use of a mobile device or mobile smart telephone. When you use the Mobile Banking service, or authorize others to use it, you agree to the terms and conditions of this entire Internet Banking Agreement. Except as otherwise provided in this Internet Banking Agreement, the Bill Pay Agreement, Terms & Conditions, or your applicable account agreements and schedule of fees, there is no monthly service charge for accessing your Mobile Banking service.

When you give someone your Mobile Banking user name and password, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. If you notify us that the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized. Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions. For your protection, sign off after every mobile Banking session.

IMPORTANT: If your mobile phone is lost or stolen, you should immediately call us at 940-759-2257 in order to delete the device from the mobile app access. If you later find your mobile device, you can re-enroll the same mobile number.

- 4) **Available Services.** You will be allowed access to Internet Banking by first entering your User Name.
- a) **Account Information.** You may use Internet Banking to obtain balance and transaction information about your eligible linked accounts with us. Please note that while Internet Banking operates in a “real time” mode, balance information may not reflect transactions not received by the Bank such as outstanding checks or recent debit card transactions conducted at off-line merchants. Balances may also be subject to a hold (which will not necessarily be evident from Internet Banking, but which you would have received written notice of when it was placed, either in person or by mail). Please also note that online transaction history for accounts is limited to your current statement cycle and previous statement cycle; you may need to check the statements that we have previously sent you for information beyond the last day covered by the online transaction history. You may download your eligible account(s) information. Any links to, or downloads from, outside sources provided through Internet Banking are beyond the control on the Bank’s security and the Bank is not responsible for the content, operation or security of such sites or your computer.
- b) **Funds Transfers.** You may use Internet Banking to transfer money between certain eligible consumer accounts you have with Muenster State Bank. You may schedule transfers to be initiated on the current Business Day, on a future date, or on the same date of each month, subject to the restrictions in this and other agreements between you and the Bank. While you can enter transfer information through the Internet Banking twenty-four (24) hours a day, seven (7) days a week, transfers can be initiated only on Business Days. Funds will be deducted from the eligible account

you designate on the Business Day on which a transfer is to be "initiated." This date is referred to in this Agreement as the "Transaction Date." If you direct the initiation of a transfer to occur on a day other than a Business Day, it will be initiated on the following Business Day. Transfers must be scheduled by 6:00 p.m. Central Time on any Business Day in order for the transaction to be completed on that Business Day. Recurring transfers are those made for the same amount and are made on a weekly, bi-monthly, monthly basis, etc. Once started, recurring transfers will be made automatically until your account(s) no longer has sufficient funds in it, until you delete the transfer on-line or until you tell us to stop or cancel such transfer or Internet Banking and we have a reasonable opportunity to act on your request. Call or write us at the telephone number or address listed in this Agreement in time for us to receive your request 3 Business Days or more before the transfer is scheduled to be made. If you call, we will also require you to put your request in writing and get it to us within 14 days after your call.

- c) **Customer Service.** You may communicate with Muenster State Bank by utilizing the Contact Us link shown on the Muenster State Bank Internet Home Page using a personal computer to send and receive written messages electronically (Internet e-mail). This method is very effective for requesting additional information, questions, comments and other miscellaneous correspondence. * HOWEVER AT THIS TIME, E-MAIL IS NOT A SECURE METHOD OF COMMUNICATION AND CONFIDENTIAL INFORMATION SHOULD NOT BE SENT OVER THE INTERNET EMAIL. - If the recurring payment's "Pay Before" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date.
- If the recurring payment's "Pay After" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated process date, then the last calendar day of that month is used as the calculated process date.

We also reserve the right to temporarily suspend Internet Banking in situations deemed appropriate by us, in our sole and absolute discretion, including when we believe a breach of the system security has occurred or is being attempted. The loss, theft or unauthorized use of your account numbers, User Name and Passwords could cause you to lose some or all of the money in your linked accounts, plus any amount available under your overdraft privilege. If you disclose your account numbers, User Name and/or Password to any person(s) or entity, you assume all risks and losses associated with such disclosure. You are responsible for all transfers you authorize using Internet Banking. If you permit any other person(s) or entity to use Internet Banking or to access or use your account numbers, User Name, Password, or other means to access your accounts, you are responsible for any transactions and activities they authorize from your linked accounts. You agree to immediately notify us by calling 940-759-2257, during normal hours of any unauthorized use of your account numbers, User Name and Password or of any other breach of security, or if you believe someone may attempt to use Internet Banking without your consent or has transferred money without your permission. **WE CANNOT ACCEPT NOTIFICATION OF A LOST OR STOLEN USER NAME OR PASSWORD OR UNAUTHORIZED TRANSFERS VIA E-MAIL.**

If you tell us orally, we will require that you send us your complaint or question in writing within 10 Business Days.
